Dear Solid Waste Collection Provider:

This letter shall serve as notification that **effective October 1, 2014**, you must cease all residential solid waste and/or recycling collection within the City limits of Austell. Our Mayor and City Council approved the privatization of residential curbside solid waste services on July 7, 2014 and has awarded a five year contract to its sole vendor, Republic Services. A contract was approved effective January 1, 2013 for residential recycling collection. Both contracts are exclusive for both services provided to its residents within the City of Austell.

Notification letters have been mailed to all residents and they have been requested to notify their solid waste provider of these new service changes. For your information, enclosed is a copy of the adopted Solid Waste Collection, Disposal, and Recycling Ordinance.

If you have any questions, feel free to contact Duane R. Demeritt, Operations Manager, by telephone at (770) 944-4325 or by e-mail to [duane@austell.org](mailto:duane@austell.org).

Sincerely,

Randy L. Bowens  
Director
